QINGDAO KINGWORLD CONTROL CO., LTD.

2017-10

PROVIDE THE WORLD WITH
SAFE & RELIABLE TYRE PRODUCTS

Company Introduction

Qingdao Kingworld Flow Control Co., Ltd., was established in 2009 in the beautiful seaside city of Qingdao, China. It is a motor tyre manufacturer specialized in producing Motorcycle Tyres and Tubes. Its famous brands 'VGOOD', 'KINGWORLD' and 'JINWODE' are exported to more than 30 countries all over the world. The growing competitiveness of Chinese industry, with its consistent quality and improved production processes, placed Kingworld as a brand of present and future.

Faithful adherence to global quality standards, was certified by the awards of ISO 9001 quality management system certification, CCC of China, U.S. DOT or SONCAP of Nigeria, among others.

Its principle is 'clients first, quality first, price first'.

Introduccion De La Compania

Qingdao Kingworld Flow Control Co., Ltd. es un fabricante chino de neumáticos especializado en la fabricación de ruedas y cámaras para motos. Fundada en el año 2009 en la ciudad costera de Qingdao, esta empresa exporta sus productos bajo las marcas 'VGOOD', 'KINGWORLD' y 'JINWODE' a mas de 30 países diferentes en todo el mundo. La creciente competitividad de la industria china, con sus consistentes mejoras de calidad y procesos de producción sitúan a Kingworld como una marca de presente y futuro.

La rigurosa adaptación a los estándares mundiales de calidad, ha sido comprobada con las certificaciones ISO 9001, la CCC de China, DOT de EE.UU. o SONCAP de Nigeria, entre otras.

Su lema es 'clientes primero, calidad primero, precio primero'.
